GRACE ORMONDE EXPERIENCE

LE GUANAHANI

St. Barths, Caribbean

Originally opened in 1986 and expanded in 1991, Le Guanahani has established itself as a haven of casual luxury, comfort and elegance. An authentic reflection of St. Barth, the hotel has evolved into the island's finest destination for active travelers, providing an unsurpassed array of leisure activities. In 2004, Le Guanahani added an indulgent Spa by Clarins, and it has continued to refine the guest experience through a series of extensive and thoughtful interior design updates over the past few years.
